A Something Borrowed Blueprint made just for

*Junior League*

November 8, 2025

The Lot at Market 03

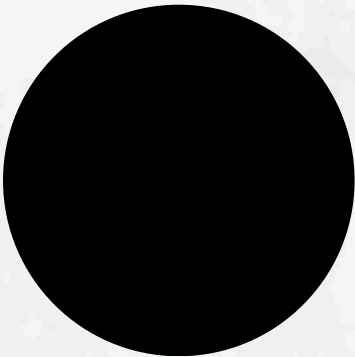

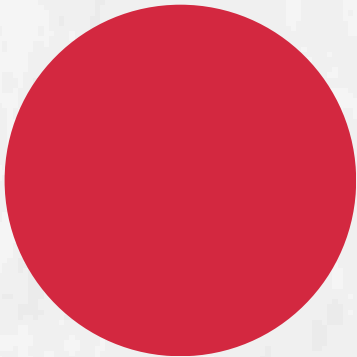

# OVERVIEW

Set at The Lot at Market 03 in downtown Owensboro, Junior League’s Battle of the Bartenders will bring the excitement of the UK vs. Florida game to life with a lively tailgate theme. With barrels, turf, picnic tables, and yard games already setting the scene, the atmosphere will be casual, playful, and full of game-day spirit. Black-and-white referee stripes, bold pops of plaid, and sporty details like pennants and football accents will tie the look together with energy and fun.

A select number of tables will be dressed in striped runners or buffalo plaid for visual punch, while Pearl the photo booth and Greenlee the boxwood wall will join a custom tailgate-inspired backdrop to create multiple photo moments. SB’s graphic designer will also provide custom event branding (including signage and social media posts) for a cohesive look. Together, these details will create an approachable, memorable evening that celebrates the big game, supports Junior League, and feels uniquely Owensboro.

## Color Palette

# ENTRYWAY

The entryway will set a playful, on-theme tone from the start. A customer-provided table will be elevated with a black-and-white striped tablecloth (a nod to referees making the rules!) and styled with our double welcome sign featuring two custom acrylic inserts. Flanking the setup, balloon towers with tassels and vinyl details will add height, color, and energy.

To guide guests toward the main entrance, pennant-shaped banners will be strung across the existing bourbon barrels, creating a clear pathway while tying into the tailgate theme with bold, sporty flair.

# TABLES & CENTERPIECES

Tablescapes will highlight the tailgate theme with a mix of bold patterns and simple accents. Ten picnic tables will feature black-and-white striped runners, while five cocktail tables will be dressed in customer-supplied red-and-white buffalo plaid. Each lined table will include an on-theme centerpiece with the soft glow of LED candles, while the remaining tables can be left as-is—allowing the natural charm of the picnic setup to shine. Decorating just a few will add plenty of impact without overwhelming the space.

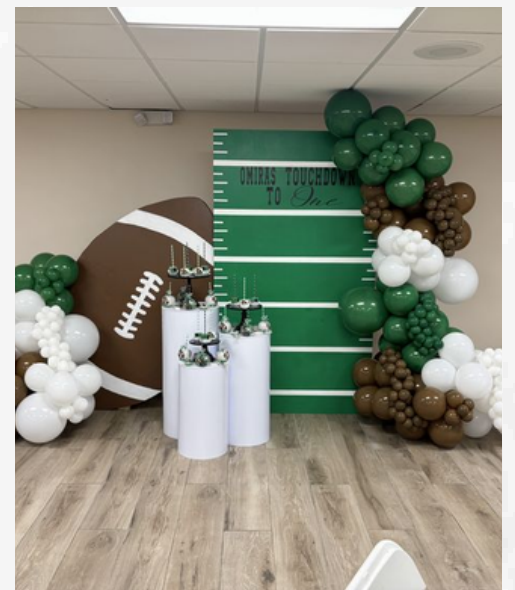

# PHOTO OP

Photo opportunities will play into the tailgate theme with bold, sporty details. Using the inspiration photos below as a starting point, we'll design a custom backdrop that can incorporate pennants, helmets, footballs, and even goal posts, giving guests a fun, team-spirited spot to snap photos. If this direction feels right, we'll build it out to match the overall blueprint style.

Pearl, our digital photo booth, will also be on site and paired with Greenlee, our classic boxwood wall, for a second setup that adds variety and another easy, share-worthy moment.

# BUT WAIT, THERE'S MORE!

Here's something you didn't ask for, but our \*expertise\* says you might like...

Something extra we'd recommend is investing in a custom neon sign for Junior League!

For this event, it could be hung on Greenlee to add a vibrant focal point and photo moment.

Beyond Battle of the Bartenders, the sign would be a versatile piece to use at future events and adapt to a variety of themes.

***These items aren't included in your current quote, but we're happy to add them if you want to know more!***
